(OO ae oh) **Mm**

(I've been walking with my face to the sun

Weight on my shoulders a bullet in my gun)

Oh, I got eyes in the back of my head Just in case I have to run

I do what I can when I can while I can for my people

While the clouds rollback and the stars fill the night

That's when I'm gonna stand up Take my people with me

Together we are goin' (to a) brand new home

Far across the river (can you hear) freedom calling

Calling me to answer (gonna keep on) keepin' on

(I can feel it in my bones

And I know what's around the bend might be hard

To face cause I'm alone

And I just might fail, but Lord knows I tried Sure as)

Oo oo ahOo stars fill up the sky

Stand up take my people with me

Together we are going (to a) brand new home

Far across the river (can) you hear freedom calling

Calling me to answer (gonna keep on) keepin' on

I go to prepare a place for you (x4)
